CAN YOU HELP?

Do you have a few hours of time you could spare for the Lake Hartwell Association? I'm sure as you read your LHA newsletters, you have noticed an increase in water related activities, issues, legislation, meetings, etc. Our efforts to support the quality of Hartwell Lake for you are growing and we need help in all areas and on all committees. There are different levels of help needed. Most do not require a lot of time or specific skills.

If you can help, or you would like to talk to one of the LHA Directors, please select a committee or activity below. Someone will contact you to discuss the opportunity and answer any questions you may have.
