About Lake Hartwell Association

The lake Hartwell Association was founded in 1990 and today has thousands of families, business, and community members. LHA is a 501-c3 qualified non-profit organization supported exclusively through member dues and donations which are fully tax deductible.

LHA exists to protect the quality and quantity of water resources in Lake Hartwell and its watershed, to provide a forum for discussion and action on lake-related issues, and to monitor growth and development while keeping our members informed and advised on all matters pertaining to the protection of the Lake and its resources.

Hartwell is one of the five lakes in the Savannah River Basin, that makes up the border between

South Carolina and Georgia. Water in these lakes is owned equally by both states but is managed by the Army Corps of Engineers. LHA maintains a relationship with the Corps to ensure that water management should be the number one priority to ensure the future quality of our water source and the future of the lake.

If you are a permanent or part-time resident, fisherman, boater, or local business that benefits from the economic impact of Lake Hartwell we encourage you to join LHA and support our efforts “for the sake of the Lake”.

Why Join LHA?

- Learn and keep up to date on all things “Lake Hartwell”
- Keeps you current on any shoreline modifications and development that might affect your property or the lake environment.
- Adds your voice to LHA’s relationship with the Corps of Engineers as well as county and state governments.
- Ensures Lake Hartwell will be kept clean, remain as full as possible and continue to be a safe place to enjoy.
- Allows you to take an active part in the future care and development of the Lake.
- Receive informational e mails and quarterly newsletters with current news about issues impacting the lake.
